Continuous Learning & Growth

Passion for learning, self-improvement, and staying up-to-date with industry trends.

👤 SUMMARY

I am a skilled front-end web developer with expertise in React, Next.js, and blockchain development on the Sui network. Adept at building scalable, user-friendly applications, with a strong background in frontend and backend technologies. Experienced in leading projects, problem-solving, and collaborating with teams to deliver high-quality products.

👥 EXPERIENCE

Self-employed   Abuja, Nigeria

Web Developer   09/2021 - 05/2023

Independent web development projects

- Cooperated with designers to create clean interfaces and simple, intuitive interactions and experiences
- Develop project concepts and maintain optimal workflow
- Complete detailed programming and development tasks for front-end public and internal websites
- Used HTML5, CSS3, and JavaScript to develop a responsive UX
- Built client websites using HTML5, CSS3 and JavaScript
- Built client websites and web apps using React.js and Next.js
- Developed new features and applications using React.js
- Created prototypes from low-fidelity to high-fidelity
- All experiences are self-taught and personal projects

Self Employed   Location

Lead Developer - SEM INT (2023)   2023

Web app for the management of the church donations, daily blogs and events.

- Led the development of SEMINT, a web app for church event display and payment reception.
- Managed a team of two developers, ensuring smooth development and delivery.
- Utilized Next.js for frontend development and implemented a secure payment system.

Findlet.ng   Location

Full Stack Developer   2023 - 2024

An ecommerce website for management of products and sells

- Designed and developed an e-commerce web app from scratch using Next.js, TypeScript, Tailwind CSS, and Node.js.
- Implemented a robust backend with Express.js and optimized performance for scalability.
- Integrated payment gateways and ensured a seamless shopping experience.

🎓 EDUCATION

Veritas University   Abuja, Nigeria

Bachelor of Science   09/2020 - 07/2024
